

2017 USLA SWIM PROGRAM REGISTRATION FORM

The quality of instruction should be exemplary; the conduct of the parents and students, agreeable, respectful and courteous.

This commitment form has been drawn up to ensure the integrity of the program continues and that you, the participant, parent and instructor, make it an experience that you would like to repeat. If there are questions, concerns and ideas, please pass them on to the current year's coordinator.

Instructors:

- To teach with the utmost integrity, respect and responsibility for the improvement and safety of the participant in the program;
- To manage the records of each student in the program;
- To show up on time daily for their required job, and stay until the teaching day is complete;
- To have their teaching plans prepared and present for each lesson;
- To be able to manage a group of children with appropriate methods of teaching and behaviour management;
- To be able to respond politely and competently to parent interactions; and
- To know when to defer questions, comments and behaviour to the swim coordinator.

Parents:

- To ensure your child is on time for lessons and prepared to enter the water when requested;
- To ensure your child shows respect toward the instructors and their requests;
- To direct questions and concerns to the swim coordinator; and
- To not interfere with the continuity of a lesson while it is in progress by conversing / coercing / disciplining your child.

Participants:

- To be respectful of the instructions and their requests while at lessons and on the dock or beach;
- To refrain from inappropriate language or behaviour while at lessons; and
- To try your best to enjoy the lessons.

Instructors reserve the right to ask a participant or parent to leave the lesson and/or program due to consistent rudeness toward the instructor, disruptive behaviour that takes a large amount of the instructors' time for discipline rather than teaching; interfering with staff or putting the safety of a participant or instructor at risk.
